Re: Letter of Recommendation

Dear,

Indy Fire and Ice Team,

It is my great pleasure to commend the Indy Fire and Ice Team on the timely completion of the Isle of Capri project dry ice method basin preparation performed by your competent staff.

Indy Fire and Ice took on an extremely difficult project and completed in a timely and professional manner. The Indy Fire and Ice teams drive and attention to detail during the basin preparation phase was outstanding. All conflicts big or small were handled with grace and intelligence. Indy Fire and Ice is a team player and is willing to go the extra mile. They are truly dynamic leaders in their profession.

I can confidently recommend Indy Fire and Ice to potential clients as a qualified and professional contractor based on this association and proven success.

Sincerely,

A handwritten signature in blue ink that reads 'Tim A. Doran'.
